...continued...

Implementation of Sustainability in an Organization All consumers and firms affect sustainability in different ways, either directly or indirectly. In practicing sustainability, a firm could create value for consumers, investors, and other stakeholders, such as the community in which the firm

...continued...

operates within its value chain. In addition, a firm engaging in good sustainable practices can fulfill the needs of its customers, earn a profit, and preserve the environment. This assignment will allow you, as a consumer, to explore how you can impact sustainability. Tasks: Propose a sustainability
